How to Become a Member

Because of the amount of time involved in assisting new members as they go through the process of migrating data and setting up policies, the ONE Library Consortium only processes applications for new members in October of each year. Actual contract signing will take place at a time agreed to by all interested parties. Applications of interest may be submitted at any time.

How Much Does it Cost to Join?

The cost will be different for each library, and is based on the size of the library's collection and circulation. The Consortium will work with you and a representative of SirsiDynix to develop a workable cost proposal.

Initial Expense: The cost of migrating the new member's data into SirsiDynix is determined by SirsiDynix and is paid solely by the new member.

Ongoing Annual Expenses: The new member will share in ongoing costs in the same manner as all existing members.

- Each member pays a share of the annual maintenance costs. This cost is based on the number of bibliographic records held, and is prorated by the percentage each library holds compared to the total number of items in the consortium
- Each member pays an annual membership fee of \$750 per year. These funds are held at the Nebraska Library Commission and are used for consortium-approved expenses, improvements, and training.
- Members may elect to purchase additional products or services from SirsiDynix. These purchases are optional and are at the discretion of each individual library.

Important "To Dos"

- Complete the Application Form found on this brochure prior to October 31st, or send an email with the same information to the current consortium president or treasurer.
- Understand how your current system works so that you can ask relevant questions.
- Send the consortium an official letter of interest or intent to join.
- Ensure adequate funding is in place.
- Complete the Application & Assurances Form found at <https://onec.ent.sirsi.net>.
- Work with ONE Library members to negotiate a bid with SirsiDynix.
- Establish a timeline for formal membership into the ONE Library Consortium.
- Sign a contract with SirsiDynix.
- Work with ONE Library and SirsiDynix support staff to finalize membership, migrate data, and go live.
